YES VIRGINIA, THERE IS A TOOTH FAIRY Volunteers from the People Living With and Affected by HIV/AIDS Luncheon Club took to the streets of Newtown last Saturday, dressed as fairies, in a bid to sell fundraising toothbrushes to unsuspecting shoppers. Entertainment was provided throughout the day and into the night at the Newtown Hotel, where locals sold raffle tickets and Dykes on Bikes auctioned off joy rides. The day raised more than \$2,000 for the Club. *Photo: Jeff Hudson*
